Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Tuesday 13 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mainly dry with clear or sunny spells and overnight frosts.

This Evening and Tonight:
Any showers across the south, the Western Isles and Shetland largely dying out through the evening to leave a dry night with long clear spells. With light winds a widespread sharp frost will develop.

Wednesday:
After a chilly start, most parts of Scotland will have a dry and bright day with sunny spells. A few showers develop this afternoon, mainly across southwest Scotland. Light winds.

Outlook for Thursday to Saturday:
Staying mostly dry with sunny spells, perhaps some more persistent rain in the far west later Saturday. Continuing to turn milder by day but still a frost risk at nights.
